# **Home Choice** London Heritage Grey Twist Pile Wool Mix Carpet 40oz

Our Home Choice London carpets are calling to be a part of your home with their delightfully soft textures weaved to create a hardy and reliable carpet that is still full of style. Made in the UK from a blend of 80% premium 3-ply British wool and equal amounts of polypropylene and meltbond, the fibres of this 1/8 gauge carpet are twisted together to enhance durability and is made even sturdier thanks to its action-backing. This helps keep all the comfort offered by its materials and stays nice and toasty underfoot with a 1.41 TOG rating. Ideal for anywhere in your home, from the living room and bedroom to the hallway and the stairs, all our Home Choice London carpets are available in 4m or 5m width and can be cut to any length based on your individual requirements.

Get back in touch with your roots with London Heritage Grey's gorgeous dark tones. The deeper shade of grey still matches up with plenty of contemporary styles while providing a timeless appeal that will help you evoke a classic look in your home. Whether you lean towards the modern or the traditional, this is a style any generation can value.
