If you have a busy household with feet and paws going to and fro then look no further than our Home Choice Washington Twist Pile Carpet range. Made from 100% polypropylene, this heavy-duty carpet is perfect for a busy room, such as a hallway, landing or office space. This twist pile carpet comes with a 7-year warranty and is both pet and child-friendly, as there are no loops to pick at or get claws stuck in. Thanks to its stain-resistant nature, it can withstand the small spills that come with everyday life, so any little accident doesn't need to be stressed over. It comes with a heavy-duty action backing allowing you to install in high traffic areas with confidence that it won't suffer from constant use.

Our Washington Cosmopolitan Grey carpet will help drive the feeling of American discovery with these fantastic tones. Thanks to the 2-ply build of the Washington range, the carpet interweaves two similar colours providing a lovely, textured finish. A darker, natural colour that provides a great platform for any design, this approach bestows both comfort and practicality to a hallway, landing or living room.
