Home Choice Engineered European Nature Oak Flooring 14mm x 180mm Cinnamon Grande Oiled

Showcasing the striking organic beauty of wood at its natural best, Home Choice Engineered European Nature Oak Flooring 14mm x 180mm Cinnamon Grande Oiled will transform any room into a warm and welcoming space.

Made using finest European oak in a nature grade – featuring natural variation, limited mineral streaks, occasional sapwood and occasional small and medium sized knots – this beautiful floor is ideal for anyone looking to give their home a laidback, traditional look. The boards have been brushed to enhance their texture and highlight the natural grain structure of the wood, and are finished with a premium UV oil, designed to age beautifully over time, to protect against stains and marks.

The wide, extra-long planks (180mm x 2200mm) will create a feature statement in medium to large rooms, giving a refined look while enhancing the feeling of space, and are easy and fast to fit thanks to their great coverage and click-together 5GC joints. With a sturdy three-layer construction and a tough 2.5mm wear layer, this floor will look fabulous for years to come, and requires only vacuuming and occasional damp-mopping to look its best.

Product Details

Code:	ENG-CTY-14-003
Brand:	Home Choice
Construction:	Engineered 3-Ply
Species:	Oak
Grade:	Nature
Design:	Plank
Surface:	Brushed
Finish:	Oiled
