### Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Cappuccino Lacquered

The palest, creamiest of oak tones lend this floor a light, airy feel that will make your home feel brighter all year round.

With all the familiar knots, markings and mineral streaks that typify a rustic grade wood and brushed for a natural look, Home Choice Engineered European Rustic Oak Flooring 130mm Cappuccino Lacquered is a great choice for contemporary interiors. Made from quality European oak, it's finished with hardwearing UV lacquer to enhance the natural beauty of the wood grain and make it supremely easy to care for; simply vacuum and give it an occasional wipe with a damp mop to keep it looking its best.

The mid-width, classic-length planks (130mm x 1100mm) will beautifully enhance small and medium-sized rooms, making the space appear larger while giving a classic wood-floor look, and are easy and fast to fit thanks to their simple click-together system.

Featuring a durable three-layer construction and a standard 2.5mm real wood wear layer, this floor offers the perfect combination of great looks and practicality, and comes with a 20-year warranty.
