Galleria Professional Engineered European Rustic Oak Flooring 14mm X 190mm Winter Dawn Lacquered

With its attractive rustic grain and on-trend white oak colourway Galleria Professional Engineered European Rustic Oak Flooring 14mm x 190mm Winter Dawn Lacquered has real wow factor, and will set off any contemporary scheme beautifully.

Made using quality European oak in a rustic grade, this gorgeous floor shows the wood in its true glory, with diverse knots and attractive tonal markings, lifted and enhanced by a brushed finish that makes a real feature of the grain. Several coats of premium low-sheen lacquer offer great protection against spills and marks and make maintenance easy. Giving excellent coverage, the wide, long-length planks measure 190mm x 1900mm, a size that is ideal for helping longer rooms look more in proportion and adding a feeling of elegance to spacious interiors.

A high-quality multi-layer construction, featuring several layers of plywood beneath a premium 3mm real wood wear layer, gives this floor an unmistakeable, dense real wood feel underfoot and an enhanced lifespan. For best results, we recommend this tongue-and-groove floor is fitted by a professional.

Product Details

Code:	ENG-GA-14-539
Brand:	Galleria Professional
Construction:	Engineered
Species:	Oak
Grade:	Rustic
Design:	Plank
Surface:	Brushed
Finish:	UV Lacquered
