Mega Deal Engineered Character Oak Flooring 18mm x 125mm Natural Brushed & UV Oiled

A versatile, goes-with-anything wood floor with bags of vintage charm, Mega Deal Engineered Character Oak Flooring 18mm x 125mm Natural Brushed & UV Oiled is suitable for any room in the home and offers fantastic value for money.

Made from finest European oak in a character grade, this eye-catching floor makes a real statement with plenty of colour variation and swirling patterns, multiple knots, mineral streaks and sapwood, all beautifully enhanced with a brushed finish.

The mid-width (125mm), random-length planks – ranging from 300mm to 900mm – will create a relaxed classic look and work particularly well in small and medium rooms, where they will have a space-enhancing effect. The application of a premium UV oil gives a natural-looking low-sheen finish that's also easy to care for; vacuuming and the occasional damp-mopping is all it takes to keep this floor looking its best.

Offering exceptional stability, the floor features a high-quality multi-layer construction of several layers of plywood topped with a 5mm hardwood wear layer for a dense feel underfoot and optimum grain definition. With a traditional tongue-and-groove fixing, this load-bearing floor requires professional installation for best results.
