Aqualock Aqualock 10mm Laminate Flooring Reef Oak

The vintage charm of Aqualock 10mm Laminate Flooring Reef Oak comes from the warm hue and roasted tones of its wood-effect décor layer. This, along with the premium look and feel of the embossed décor and top resin layers, make for a truly unique floor that will stand out anywhere in your home. And thanks to the benefits of modern laminate construction, this floor is more than just a looker — boasting 72-hour water-resistance for added protection against moisture and spills, as well as UV resistance to help prevent fading.

Ideally proportioned for most rooms thanks to 1285mm x 158mm bevelled edge boards, Aqualock 10mm Laminate Flooring Reef Oak is fast and easy to fit with its DIY-friendly click system making it ideal for novice fitters. You'll have complete peace of mind with this floor thanks to an AC5 Commercial rating, 5-year commercial warranty and its 25-year residential warranty. Aqualock Laminate Flooring is also simple to care for, just vacuum regularly and clean occasionally with a damp mop.
