Series Woods 12mm Laminate Flooring Sicilia Oak

A hardwearing, realistic looking wood effect laminate produced in Europe using the latest technology, Series Woods 12mm Laminate Flooring Sicilia Oak is both fabulous to look at and incredibly easy to care for.

In a stunning natural oak tone that will complement a wide range of colour schemes, this traditional style floor features a textured surface and realistic markings for an authentic wood look and feel. The wide, classic-length boards are a versatile size (193mm x 1380mm) that is particularly well suited to creating a space-enhancing effect in small and medium-length rooms, while a 5G click fitting system, with joints on all four sides of each board, makes DIY installation fast and easy.

At 12mm thick, Series Woods 12mm Laminate Flooring Sicilia Oak comes with an AC4 Heavy Domestic rating and a 25-year warranty, and is suitable for all rooms in the home including areas of heavy traffic. To keep your floor looking its best, vacuum regularly and clean with a damp mop.
