## Series Woods Professional 12mm Laminate Flooring Antique Bronze Oak

The perfect floor to complete a summery look in your home, the gorgeous natural tone and warmth of Series Woods Professional 12mm Laminate Flooring Antique Bronze Oak is the perfect way to create a bright and welcoming vibe in any room while still possessing timeless appeal. Thanks to the elegant grain pattern of this wood-effect floor beneath an embossed in register texture this flooring captures the perfect natural look. The finished floor gets a deep and defined look thanks to the four bevelled edges of each plank.

This floor makes a great choice for both novice and experienced DIYers, thanks to its click-together joint system for a fast and easy fitting. At 12mm thick, the 192mm wide and 1285mm long boards are the perfect all-rounders, suited very well for creating a classic, space-enhancing look for medium-length rooms.

Offering unbeatable performance alongside its buckets of style, Series Woods Professional 12mm Laminate Flooring Antique Bronze Oak has an AC5 Commercial rating and a 30-year warranty for your complete peace of mind. With durability at this level you will find this floor looks its best for longer in even busy homes, needing only regular vacuuming and occasional damp mopping to keep on top of maintenance.
