## Series Woods 7mm Acoustic Laminate Chestnut Brown Oak

With a textured surface, chocolatey hue and a wealth of lively grain markings, this characterful floor is brimming with vintage charm and will feel as if it's been part of your home for years. Series Woods 7mm Acoustic Laminate Chestnut Brown Oak looks and feels just like a hardwood floor but is more than a match for the rigours of hectic family life.

The classic-length boards are a versatile size (197mm x 1220mm) that is particularly well suited to creating a space-enhancing effect in small and medium-length rooms. Featuring a DIY friendly click system on a 7mm thick board with a 2mm integrated underlay, makes fitting this floor even easier.

Effectively soundproofing your home has just become easier, this floor features an integrated underlay with a 21dB rating reducing noise, ideal for busy homes.

Series Woods 7mm Acoustic Laminate Chestnut Brown Oak has a AC3 Domestic rating making it suitable for hallways, kitchens, bedrooms, dining rooms, living rooms, conservatories, and utility rooms, and requires only regular vacuuming and occasional damp mopping to stay looking its best.
