### City City 8mm Laminate Tile Gothic Slate

The luxury floor of your dreams is now more attainable than ever before thanks to City 8mm Laminate Tile Gothic Slate. Combining the modern opulence of elegant black stone with the functional form and affordability of a laminate floor to create the splendour of this stone effect floor that can be slipped into any home.

With a realistic textured surface that gives the impression of stone while still affording significantly more warmth underfoot than the genuine article, the effect is further enhanced by each tile's four bevelled edges – on a fully finished floor, the edge profile of these 605mm x 282mm tiles will seamlessly enhance the tiled look you crave. Thanks to easy to install click system technology this is a floor DIYers can readily bring into their home themselves.

This floor is built ready for the constant pitter-patter of busy homes thanks to a 20-year warranty and its AC4 Heavy Domestic rating. With this level of endurance, it's the ideal floor to slip into high traffic areas such as kitchens, hallways and even dining rooms.
