## Spectra Rustic Grey Oak Plank Luxury Click Vinyl Flooring

With a gorgeous pale grey hue and wealth of lively grain markings, this characterful floor is brimming with vintage charm and will feel like it's been part of your home for years.

A true texture surface that follows the surface pattern of the grain ensures Spectra Rustic Grey Oak Plank Luxury Click Vinyl Flooring looks and feels just like a hardwood floor. However, this tough, fully waterproof floor is a great fit-and-forget option for family homes, and can safely be used in demanding areas such as hallways, kitchens and bathrooms.

Its bevelled planks are a uniform size (191mm x 1316mm) particularly well suited to creating a space-enhancing effect in small and medium-length rooms, and feature a DIY-friendly click system that allows for fast and easy installation on top of underlayment. Rustic Grey Oak Plank Luxury Click Vinyl Flooring comes with a 20-year warranty and requires minimal maintenance: simply vacuum regularly and clean occasionally with a damp mop to keep it looking its best.
