Spectra Dove Grey Stone Tile Luxury Click Vinyl Flooring

Modern and pared-back with a cool industrial vibe, grey floors have never been more popular. If you love the look of concrete and grey stone but want all the practical benefits that the latest LVT floors can bring, Spectra Dove Grey Stone Tile Luxury Click Vinyl Flooring could be the ideal choice for you.

With a warm mid-grey tone and a streamlined appearance, this hardwearing floor features an authentic textured surface and a softly mottled décor layer that add realism to its polished concrete look. Compatible with underfloor heating and fully waterproof, it's safe for use in demanding areas such as kitchens, utility rooms and bathrooms, and comes in fixed-size large tiles (299mm x 604.6mm) with micro-bevelled edges that work well in any size of room and ensure a clean, contemporary finish.

Spectra Dove Grey Stone Tile Luxury Click Vinyl Flooring will more than earn its keep in a busy family home. Regular vacuuming and occasional damp mopping are all it takes to maintain its good looks, while a patented click system ensures it's fast and easy to fit, even for DIYers.
