Home Choice Home Choice Brighton Pebble Grey Loop Pile Carpet 7mm

As rugged at its heart as seaside shoals whilst still filled with the same character and joy that made you first fall in love with those pebbled shores, Home Choice Brighton Loop Pile Carpets are a budget-friendly option for a home that needs reliable flooring. Thanks to its short loop pile construction, this carpet is ready to take on any high traffic areas in your home such as hallways, landings and especially stairs. Not only is it stain resistant and made from 100% polypropylene fibres, the UK's favourite carpet material, but its felt backing saves you from needing underlay for installation. With a thickness of 7mm and a 2-year residential warranty, Home Choice Brighton Loop Pile Carpets are an affordable option that anyone looking for a reliable carpet can enjoy.

Life should be a beach, and it can be with Brighton Pebble Grey. With colours inspired by the shoals from which it takes its name, there's plenty of ground for you to tread as you leave no stone unturned with the possibilities of this carpet.
