Home Choice Home Choice Edinburgh Sand Brown Twist Pile Carpet 7.5mm

Our Home Choice Edinburgh Twist Pile range of carpets are budget-friendly and a fantastic choice if you're looking for a hardy, reliable carpet. Made from 100% polypropylene, this stain-resistant collection is smooth and practical and great for busy areas as it won't easily show footprints from continual walking. The lightweight felt backing means it can be fitted with or without underlay and doesn't require grippers around the edge. Available in a 4m or 5m width, this carpet can be cut to any length based on your individual requirements.

Sink your toes firmly into our Edinburgh Sand Brown carpet and be instantly transported to the coast. Sit, back relax, and unwind with the sandy tones of this neutral carpet underfoot. Perfectly suited to the busy spaces in your home thanks to its twist pile construction that gives it more resilience to flattening. Made with a single ply for an even colouring when laid.
