## Home Choice London Tower Grey Twist Pile Wool Mix Carpet 40oz

Our Home Choice London carpets are calling to be a part of your home with their delightfully soft textures weaved to create a hardy and reliable carpet that is still full of style. Made in the UK from a blend of 80% premium 3-ply British wool and equal amounts of polypropylene and meltbond, the fibres of this 1/8 gauge carpet are twisted together to enhance durability and is made even sturdier thanks to its action-backing. This helps keep all the comfort offered by its materials and stays nice and toasty underfoot with a 1.41 TOG rating. Ideal for anywhere in your home, from the living room and bedroom to the hallway and the stairs, all our Home Choice London carpets are available in 4m or 5m width and can be cut to any length based on your individual requirements.

If you are after a colour that takes no prisoners, then our 40oz London Tower Grey carpet has the carefree hue you want. The lighter grey looks spectacular put against warmly coloured walls, furniture, and other elements of your décor and the cooler tone will help to make your room that little bit brighter.
