Home Choice Montreal Matrix Grey Saxony Pile Carpet 14.5mm

Everybody craves a small taste of the finer things life has, and that's exactly what you can now offer your home with Home Choice Montreal Carpets. Their plush and sumptuous textures are a perfect way to refine the floors of your bedrooms and living rooms. This UK-made carpet is constructed from stain-resistant 100% polypropylene fibres for a smooth texture — a perfect complement for the rich Saxony cut that invites you in deeper and deeper with every step you take. As this carpet has a combi backing, you'll need a minimum of 8mm underlay to avoid uneven surfaces. At an indulgent 14.5mm thickness and with a 10-year residential warranty, Home Choice Montreal Carpets are your ticket to a taste of lavishness in your home.

With a tone that transcends the trends but is still the perfect match for them, Montreal Matrix takes a contemporary colour and makes it feel fresh. Its appearance comes from a 2-ply construction process, weaving two lavish colours together to make this unique, shaded effect. Whether you're looking to set a modern mood with more mid-tone and dark colours or creating a brighter atmosphere in your bedroom or living room, this is one carpet that will have you covered.
