Home Choice Montreal Soleil Beige Saxony Pile Carpet 14.5mm

Everybody craves a small taste of the finer things life has, and that's exactly what you can now offer your home with Home Choice Montreal Carpets. Their plush and sumptuous textures are a perfect way to refine the floors of your bedrooms and living rooms. This UK-made carpet is constructed from stain-resistant 100% polypropylene fibres for a smooth texture — a perfect complement for the rich Saxony cut that invites you in deeper and deeper with every step you take. As this carpet has a combi backing, you'll need a minimum of 8mm underlay to avoid uneven surfaces. At an indulgent 14.5mm thickness and with a 10-year residential warranty, Home Choice Montreal Carpets are your ticket to a taste of lavishness in your home.

As sweet as the Canadian sun and soft as the snow, Montreal Soleil provides all the warmth of the former to make any space feel snug and cosy. Its appearance comes from a 2-ply construction process, weaving two lavish colours together to create this unique, shaded effect. With its super soft surface and inviting tones this is an ideal choice to create a welcoming vibe in a bedroom or living room, one that you just want to relax into and never leave.
