This UK-made carpet is constructed from stain-resistant 100% polypropylene fibres for a smooth texture — a perfect complement for the rich Saxony cut that invites you in deeper and deeper with every step you take. As this carpet has a combi backing, you'll need a minimum of 8mm underlay to avoid uneven surfaces. At an indulgent 14.5mm thickness and with a 10-year residential warranty, Home Choice Montreal Carpets are your ticket to a taste of lavishness in your home.

Have it all with the contemporary colour of Montreal Walrus, marrying together the trending tone of grey that fits with almost any style and a shade that exudes warmth and luxury in one undeniable vibe. Its appearance comes from a 2-ply construction process, weaving two lavish colours together to produce this unique, shaded effect.
