Home Choice Home Choice Washington Olympia Grey Twist Pile Carpet 9.5mm

If you have a busy household with feet and paws going to and fro then look no further than our Home Choice Washington Twist Pile Carpet range. Made from 100% polypropylene, this heavy-duty carpet is perfect for a busy room, such as a hallway, landing or office space. This twist pile carpet comes with a 7-year warranty and is both pet and child-friendly, as there are no loops to pick at or get claws stuck in. Thanks to its stain-resistant nature, it can withstand the small spills that come with everyday life, so any little accident doesn't need to be stressed over. It comes with a heavy-duty action backing allowing you to install in high traffic areas with confidence that it won't suffer from constant use.

A classic style that fits any room, our Washington Olympia Grey carpet is fantastic if you want to provide an understated, but comfortable, design. Thanks to the 2-ply build of the Washington range, the carpet interweaves two similar colours together to create a lovely, textured finish. This quintessential style mixes in practicality to create a carpet suitable for a relaxing living room or hallway.
