## Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Natural Lacquered

Offering timeless elegance and classic good looks, Home Choice Natural Lacquered Engineered European Rustic Oak is a fantastic example of quality hardwood flooring.

In a soft honey tone that will add warmth and character to any room, this rustic-grade floor is made from high-quality European oak and is packed full of character, with rich grain markings, a wealth of knots of varying sizes, sapwood, mineral streaks and natural colour variation that demand attention. Each plank is individually defined by bevelled edges, sanded smooth and finished with high-quality UV lacquer to give an attractive subtle sheen and fantastic protection against the rigours of family life.

The planks come in a standard size (130mm x 1100mm) that is ideal for creating a relaxed, classic wood-floor look in small and medium-length rooms thanks to their space-enhancing effect.

Featuring a three-layer construction for durability, Home Choice Engineered European Rustic Oak Flooring 130mm Natural Lacquered comes with a 2.5mm real wood wear layer for long-lasting good looks and click-together boards for fast and easy DIY installation. A real all-rounder that's both beautiful and easy to care for; simply vacuum and damp mop to keep your floor looking its best.
