Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Espresso Piccolo Lacquered

With its dark coffee tones and lively grain markings, Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Espresso Piccolo Lacquered is the perfect complement to a vintage scheme.

Made from finest rustic-grade European oak, the sanded and lacquered boards pack a real design punch, their swirling grain patterns, mineral streaks and knots and rich, deep colourway demanding attention. A hardwearing UV lacquer gives this floor an attractive low-sheen finish that's also blissfully easy to care for; simply vacuum regularly and damp-mop occasional to keep your floor looking fantastic.

Bevelled on all four sides for greater visual definition, the classic-length, mid-width planks are ideally suited to small and medium-sized rooms, where they help to create a space-enhancing effect. Featuring a durable three-layer construction, a standard 2.5mm real wood wear layer, and a 5GC click system, this floor is ideal for even easier and faster DIY installation, making it simple to bring a touch of vintage charm to any room in the home.
