Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Brown Sugar Lacquered

A truly stunning statement floor, Home Choice Engineered European Rustic Oak Flooring 130mm Brown Sugar Lacquered is packed with vintage charm and character.

Quality European oak in a rustic grade – characterised by richly detailed grain markings, multiple knots and natural colour variation – and a warm shade of mid brown makes for a floor that feels instantly comfortable and welcomingly familiar. Sanded smooth and protected with high quality UV lacquer, it will stand up to wear and tear beautifully and requires only vacuuming and occasional damp mopping to look its best, making it a great choice for family living.

The mid-width, classic-length planks (130mm x 1100mm) are ideal for creating a feeling of space in small and medium length rooms, while fine bevel edges define each individual plank and further enhance the vintage look.

Home Choice Engineered European Rustic Oak Flooring 130mm Brown Sugar Lacquered features a three-layer construction for strength and stability, a 2.5mm real wood wear layer and a click-together joint that makes DIY installation fast and easy.
