Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Lemon Sorbet Grande Lacquered

Made in Europe from high-quality ash wood, this light, bright floor has a fresh, contemporary vibe and makes a beautiful backdrop for minimalist, modern schemes.

A nature-grade wood with limited grain markings and little colour variation, Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Lemon Sorbet Grande Lacquered has a sleek, clean look and a sanded smooth finish that helps reinforce its modern aesthetic. A matt lacquer coating gives it a protective natural finish that resists stains and marks and is supremely easy to look after; simply vacuum regularly and clean occasionally with a damp mop.

The click-together planks measure 180mm x 1100mm – a wide, classic-length size that's ideal for creating a relaxed look and a feeling of spaciousness in small and medium rooms, while also giving excellent coverage for fast DIY installation.

A 2.5mm wear layer and a sturdy three-layer construction make this floor as hardwearing as it is beautiful, and with an impressive 20-year warranty you can enjoy its crisp, sleek looks for years to come.
