Galleria Professional Engineered Select Oak Chevron Flooring Natural Unfinished

With planks that help build natural light around a classic chevron pattern, Galleria Professional Engineered Select Oak Chevron Natural Unfinished makes for a great addition into any home. The clean veneer of the select grain, which has minimal sapwood and only a few small knots, creates a truly enviable look with timeless elegance that is on full display in its natural and unfinished state. This floor comes ready to be enhanced by a finish of your choosing to compliment the interior style of your home. Simply vacuuming and an occasional damp-mop are all that is needed to maintain this floor.

The slim 110mm wide and modest length planks are perfect for creating a cosy feeling in any space, looking their best in small rooms.

The high-quality multi-layer construction of this floor offers exceptional stability, with 3mm hardwood wear layer complimenting the thick boards for a dense underfoot feel. The traditional tongue-and-groove fixing of this floor is best fitted by a professional installer.

Product Details

Code:	ENG-GA-15-149
Brand:	Galleria Professional
Construction:	Engineered Multi-Ply
Species:	Oak
Grade:	Select
Design:	Plank
Colour:	Naturals
Surface:	Smooth
Finish:	Unfinished
