Galleria Professional Engineered Select Oak Chevron Flooring 15mm x 110mm Tawny Brown Lacquered

If you're looking to install a stunning real wood floor, then look no further than our Galleria Professional Engineered Wood flooring. Offering exceptional stability, the floor features a high-quality multi-layer construction of several layers of plywood topped with a 3mm hardwood wear layer for a dense feel underfoot and optimum grain definition. With a traditional tongue-and-groove fixing, this load-bearing floor requires professional installation for best results. Keep cosy all year round as this flooring is perfectly suitable with underfloor electric and water heating systems up to 27°C.

Our Galleria Professional Engineered Select Oak Chevron Flooring is ideal for creating a feeling of elegance in spacious interiors and balancing the proportions of longer rooms with a striking chevron effect pattern that creates an eye-catching look. This parquet floor has a country-style charm that is truly timeless, and with occasional vacuuming and damp mopping, should look stunning for decades. These boards have been brushed and finished with high-quality UV lacquer to give an attractive subtle sheen and fantastic protection against the rigours of family life.

Product Details

Code:	ENG-GA-15-152
