Galleria Professional Engineered Rustic Oak Flooring 15mm x 240mm Pebble Grey Brushed & Lacquered

If you're looking to install a stunning real wood floor, then look no further than our Galleria Professional Engineered Rustic Oak Pebble Grey flooring. With long length planks and defined, natural-looking lines, this floor will provide a fantastic rustic look to your home. With a beautiful pebble grey colouring, this floor will provide a traditional look to any room, while also lightening up any style, creating a greater sense of space. These boards have been brushed to help bring out the natural pattern within the real wood surface, they are then finished with UV lacquer, which helps provide additional protection, whilst also improving durability.

Offering exceptional stability, this floor features a high-quality multi-layer construction of several layers of plywood topped with a 4mm hardwood wear layer for a dense feel underfoot and optimum grain definition. With a traditional tongue-and-groove fixing, this load-bearing floor requires professional installation for best results.

Product Details

Code:	ENG-GA-15-508
Brand:	Galleria Professional
Construction:	Engineered 3-Ply
Species:	Oak
Design:	Plank
Surface:	Brushed
Finish:	Brushed & UV Lacquer
