Galleria Professional Engineered Rustic Oak Herringbone Flooring 20mm x 90mm Beige Lacquered

If you're looking for the timeless and chic look of herringbone, all in a neutral and beautiful beige tone then look no further than our Galleria Professional Engineered Rustic Oak Herringbone Beige flooring. This classic design coupled with a warm and inviting style is perfect for any home and provides a welcoming atmosphere. This stunning rustic grade floor provides a distressed look, giving any room a fantastic lived-in feel.

With an impressive 6mm wear layer and at 20mm thick, Galleria Professional Engineered Rustic Oak Herringbone is as durable as it is stylish. Complete with a lacquered finish for an extra layer of protection, which makes it an ideal option if you have children or pets running around. With 90mm width boards, this herringbone flooring is perfect for a medium or large room to utilise the full effect of the pattern.
