Galleria Professional Engineered European Rustic Oak Flooring 20mm x 190mm Stoney Grey Brushed & Oiled

With its cool grey tones and eye-catching grain markings, Galleria Professional Multiply Engineered European Rustic Oak Flooring 20mm x 190mm Stoney Grey Brushed & Oiled is ideal for homeowners seeking a fantastic-looking oak floor with a distinctly contemporary feel.

Made from high-quality European oak in a rustic grade, this floor celebrates the organic variation of real wood with swirling grain patterns, multiple knots and lively colour variation, softened with an attractive brushed finish. Multiple layers of high-quality UV oil give a subtle low-sheen finish and provide protection against day-to-day wear and tear, making this floor a great choice for family living. The tongue-and-groove wide, long-length boards (190mm x 1900mm) work in harmony with spacious interiors, adding an elegant touch and helping to balance the proportions of longer rooms.

With a multi-layer construction for extra stability and topped with a 6mm real oak wear layer that can be sanded and refinished multiple times over the course of its lifetime, this floor defines contemporary living and needs only vacuuming and occasional damp mopping to look its best. For optimum results, professional fitting is recommended.

Product Details

Code:	ENG-GAL-103
Brand:	Galleria Professional
Construction:	Engineered Multi-Ply
Species:	Oak
Grade:	Rustic
Design:	Plank
Surface:	Brushed
Finish:	UV Oiled
