Home Choice Engineered European Rustic Oak Flooring 14mm x 130mm Brushed & Oiled

With its delicate grain markings and gorgeous honey tones, Home Choice Engineered European Rustic Oak Flooring 130mm Brushed & Oiled delivers perfect laid-back, traditional style and will add a homely touch to any room.

Made using quality European oak in a rustic grade that celebrates its natural characteristics, this striking floor features visible knots, sapwood, mineral streaks and plenty of colour variation for maximum visual interest and a "lived in" feel. Each board has been brushed for a textured finish that brings out the beauty of the grain and treated with a natural oil that will wear beautifully over time, giving the wood even more character and depth.

Maintenance is easy: simply vacuum regularly and clean occasionally with a damp mop to keep your floor looking its best. The mid-width, classic-lengths planks come in a standard size (130mm x 1100mm) for a uniform look that works brilliantly in small and medium sized rooms, where they help create a feeling of spaciousness. This three-layer engineered floor offers great stability and a 2.5mm wear layer for long-lasting good looks, as well as a 5GC click system with joints on all four sides of each plank for an even faster and easier DIY installation.

Product Details

Code:	ENG-HC-14-004
Brand:	Home Choice
Construction:	Engineered 3-Ply
Species:	Oak
Grade:	Rustic
Design:	Plank
Surface:	Brushed
Finish:	Oiled
Profile:	5GC Click System
