Home Choice Engineered European Rustic Oak Flooring 14mm x 180mm Matt Lacquered

With warm biscuit tones and eye-catching grain markings, Home Choice Engineered European Rustic Oak Flooring 14mm x 180mm Matt Lacquered will bring a relaxed, traditional look to both period and modern interiors.

Made using quality European oak in a rustic grade, this gorgeous floor shows the wood in its true glory, with diverse knots, a varying colour palette and attractive tonal markings, lifted and enhanced by a brushed finish that makes a real feature of the grain. Several coats of premium low-sheen lacquer offer great protection against spills and marks and make maintenance easy; regular vacuuming and occasional damp-mopping are all it takes to keep this floor looking fabulous.

The wide, classic-length planks (180mm x 1100mm) are the perfect size for adding a feeling of spaciousness to small and medium-size rooms, and have 5GS click-together joints on all four sides for fast, easy DIY fitting.

Home Choice Engineered Rustic Oak Flooring 14mm x 180mm Matt Lacquered features a three-layer construction for great stability and a standard 2.5mm real wood wear layer for an enhanced lifespan.
