Home Choice Engineered European Rustic Oak Flooring 14mm x 180mm Ivory Grande Oiled

With its hued-out oak tones and lively grain markings, Home Choice Engineered European Rustic Oak Flooring 14mm x 180mm Ivory Grande Oiled has a "lived in" feel that will appeal to anyone seeking a wood floor with bags of vintage charm.

Made using quality European oak in a rustic grade that celebrates its natural characteristics, this striking floor features visible knots, sapwood, mineral streaks and plenty of colour variation for maximum visual interest. Each board has been brushed for a textured finish that brings out the beauty of the grain and treated with a natural oil that will wear beautifully over time, giving the wood even more character and depth. Maintenance is easy: simply vacuum regularly and clean occasionally with a damp mop to keep your floor looking its best.

The wide, classic-length planks (180mm x 1100mm) are the perfect size for adding a feeling of spaciousness to small and medium-size rooms, and have click-together joints for fast, easy DIY fitting.

Home Choice Engineered Rustic Oak Flooring 14mm x 180mm Ivory Grande Oiled features a three-layer construction for great stability and a standard 2.5mm real wood wear layer for an enhanced lifespan.
