Home Choice Engineered European Select Ash Flooring 14mm x 180mm Wheat Lacquered

With a minimal grain and gorgeous golden ash hue, Home Choice Engineered European Select Ash Flooring 14mm x 180m Wheat Lacquered brings a sophisticated twist to the classic wood floor.

Featuring a subdued grain with barely any knots and streaks, this sturdy engineered wood floor has a clean and elegant look and comes in versatile 180mm x 1092mm planks that are well suited to most room sizes. The bevel-edged boards have been sanded smooth and are finished with multiple coats of high-quality lacquer to offer excellent durability and resistance to stains and marks, making this floor refreshingly easy to care for; regular vacuuming and occasional damp mopping are all it takes to keep it looking fabulous.

Refined in style yet more than a match for the wear and tear of busy family homes, Home Choice Engineered European Select Ash Flooring 14mm x 180m Wheat Lacquered has impressive strength and stability thanks to its three-ply engineered wood construction and 2.5mm ash wear layer. A simple click installation system ensures this floor is fast and easy to fit – even for DIYers – on top of underlay.
