Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Cognac Brushed Matt Lacquered

With a soft flowing grain and a warm caramel tone, this sturdy engineered wood floor typifies classic ash flooring at its finest, and will set a relaxed and welcoming mood in any room.

Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Caramel Brushed Matt Lacquered comes in wide, 1092mm-long planks, a size that works well in most rooms, with micro-bevels on all four sides for enhanced definition. Gently brushed for an attractive textured finish, the floor is protected with a matt lacquer that helps guard against spills and stains while allowing the natural beauty of the wood to shine through.

Delivering a laid-back look wherever it's laid, this gorgeous ash floor has impressive strength and stability thanks to its three-ply engineered wood construction and 2.5mm wear layer, and is easy to fit – even for DIYers – thanks to a simple click installation system. With regular vacuuming and occasional damp mopping, it will keep its beauty for years.
