Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Platinum Brushed Matt Lacquered

With the soft flowing grain pattern that typifies ash wood flooring at its finest, this gorgeous modern wood floor is ideal for setting a contemporary mood. Home Choice Engineered European Nature Ash Flooring 14mm x 180mm Platinum Brushed Matt Lacquered boasts soothing pale grey and creamy tones that make a neutral yet beautiful backdrop for a wide range of colour schemes.

Well suited to most room sizes, the 180 x 1092mm planks are bevelled on all four sides and have been gently brushed for an attractive textured finish, and are protected with a low-sheen UV matt lacquer that helps guard against spills and stains.

The definition of modern elegance, this striking ash floor has impressive strength and sturdiness thanks to its three-ply engineered wood construction and 2.5mm wear layer, and is easy to fit – even for DIYers – thanks to a simple click installation system. With regular vacuuming and occasional damp mopping, it will keep its beauty for years.
