## Home Choice Engineered European Select Ash Flooring 14mm x 207mm Cotton 3 Strip Matt Lacquered

If you're looking for a wood floor with a cool modern vibe, this three-strip style is a fantastic choice. Boasting a wealth of different ash tones filtered with white, Home Choice Engineered European Select Ash Flooring 14mm x 207mm Cotton 3 Strip Matt Lacquered comes with three wood staves per plank, a versatile style that's ideal for making narrow rooms feel airier and more spacious.

This show-stopping floor features a select grain pattern with minimal markings and square edged planks that give the finished floor a clean, seamless look. Sanded smooth and treated with UV matt lacquer for an attractive natural finish that protects against spills and stains, the planks are fast to fit thanks to their extra-wide, extra-long size (207mm x 2200mm) and DIY friendly 5GC click system – all you have to do is click them into place over underlay.

As practical as it is beautiful, this floor comes with a 3.2mm real ash wear layer for an enhanced lifespan and a three-layer construction that gives it great stability. To keep this floor looking fabulous, vacuum regularly and clean occasionally with a damp mop.
