Home Choice Engineered European Nature Ash Flooring 14mm x 130mm Vanilla Lacquered

Home Choice Engineered European Nature Ash Flooring 14mm x 130mm Vanilla Lacquered is a fabulous choice if you want to give your living space an elegant, pared-back Scandinavian vibe.

Boasting beautiful pale gold tones, this striking floor is made from finest European ash in a nature grade and features a subdued grain pattern with minimal knots, tonal markings and streaks. Sanded smooth and finished with several coats of premium low-sheen UV lacquer to offer great protection against spills and scuffs and to make maintenance easy. This floor requires only regular vacuuming and occasional light mopping to look its best.

Delivering a classic look wherever they're laid, the bevel-edged planks come in a uniform size (130mm x 1092mm) that's great for enhancing the feeling of space in small and medium length rooms. With a three-layer construction for great stability and a standard 2.5mm real wood wear layer, Home Choice Engineered European Nature Ash Flooring 14mm x 130mm Vanilla Lacquered features a click-together joint that needs no glue, allowing fast and easy DIY fitting.
