## Home Choice Engineered European Select Ash Flooring 14mm x 130mm Platinum Brushed Matt Lacquered

With sophisticated ash tones filtered with white and a soft, subdued grain, Home Choice Engineered European Select Ash Flooring 14mm x 130mm Platinum Brushed Matt Lacquered is a true wow-factor wood floor that will set off any modern scheme beautifully.

Delivering an elegant, contemporary vibe wherever it's laid, this striking floor is made from finest European ash in a refined select grade, and features limited tonal markings and streaks for a clean, seamless and unmistakably modern look. Gently brushed to enhance its texture and treated with UV matt lacquer for an attractive natural finish that protects against spills and stains, this floor requires only regular vacuuming and occasional light mopping to look fabulous.

The micro bevel-edged planks come in a classic size (130mm x 1092mm) ideal for enhancing the feeling of space in small and medium length rooms. With a three-layer construction for great stability and a standard 2.5mm real wood wear layer, Home Choice Engineered European Select Ash Flooring 14mm x 130mm Platinum Brushed Matt Lacquered features a DIY-friendly 5GC click system that makes it fast and easy to fit, with no gluing or nailing required.

### Product Details
