## Home Choice Engineered European Rustic Oak Flooring 14mm x 190mm Platinum Matt Lacquered

Made from premium European oak, this striking wood floor will give your home a fresh new look. With contemporary cool grey tones this floor will add something special into any room.

The richly detailed grain patterns that typify a rustic-grade wood are softened by the brushed finish, turning Home Choice Engineered European Rustic Oak Flooring 14mm x 190mm Platinum Matt Lacquered into a stunningly elegant centrepiece that will harmonise with a range of interior schemes. A matt lacquer finish provides a protective coating that makes this floor a practical as well as beautiful choice for family living as it's easy to care for; simply vacuum and give it an occasional wipe with a damp mop to keep it looking its best.

The random-length planks (400mm x 1900mm) will beautifully enhance any room giving a classic wood-floor look. Lastly, with its 5G click system this floor is ideal for even easier and faster DIY installation.
