## Home Choice Herringbone Engineered European Select Oak Flooring 14mm x 130mm Grissini Lacquered

If you love the timeless and chic look of herringbone, Home Choice Herringbone Engineered European Select Oak Flooring 14mm x 130mm Grissini Lacquered is for you. Enhanced with white tones that will lighten and brighten any room scheme, it features a simple click system that allows for fast DIY installation without glue or nails, bringing this fabulous flooring style within easy reach of every homeowner.

Featuring a soft, subdued grain with little colour variation and only a few small knots, this floor has a clean, modern look and makes a great addition to a contemporary or minimalist room scheme. The 725mm long micro-bevelled planks have been gently brushed to enhance their texture and finished with a low-sheen UV lacquer that offers excellent durability and resistance to stains and marks.

Delivering a classic herringbone look in any size of room, large or small, this beautiful floor has a three-layer construction for great stability and a standard 2.5mm real wood wear layer for an enhanced lifespan. Vacuuming and occasional light mopping should ensure it looks fantastic for years to come.
