Audacity 12mm Laminate Flooring Grove Park Oak

Chocolate tones run through this vintage-style wood-effect floor, making Audacity 12mm Laminate Flooring Grove Park Oak a fabulous choice for adding warmth to any room. This fearless water-resistant laminate will stand up to every challenge family life can throw at it. Spill, splash and pet-proof, it comes with a lifetime residential guarantee and can be safely used in bathrooms and kitchens.

With lively grain markings and bevelled boards for an incredibly authentic wood look, Audacity 12mm Laminate Flooring Grove Park Oak features wide, classic-length planks that will help to make small and medium-length rooms appear longer and are quick and easy to fit thanks to a DIY-friendly Tight Lock click system. With a built-in backing pad that helps to reduce sound, Audacity floors can be installed without underlay. What's more, Audacity's 35% more stable core means less chance of movement and better stability across the biggest spaces.

An AC4 Heavy Domestic wear rating makes Audacity the perfect 'go anywhere' floor and it is recommended for demanding areas such as bathrooms, kitchens and conservatories. With a tough stain and scuff-resistant surface, spills, dirt and accidents can simply be wiped away, leaving your Audacity floor looking as good as new.
