Audacity 12mm Laminate Flooring Sterling Oak

With generously proportioned boards in cool brown tones, Audacity 12mm Laminate Flooring Sterling Oak is ideal for bringing a sophisticated feel to grand and spacious rooms. This fearless water-resistant laminate will stand up to every challenge family life can throw at it. Spill, splash and pet-proof, it comes with a lifetime residential guarantee and can be safely used in bathrooms and kitchens.

With a textured surface and bevelled boards for an incredibly authentic wood look and feel, Audacity 12mm Laminate Flooring Sterling Oak features classic-length planks that are extra wide – an on-trend look that works brilliantly in large rooms – and quick and easy to fit thanks to a DIY-friendly Tight Lock click system. With a built-in backing pad that helps to reduce sound, Audacity floors can be installed without underlay. What's more, Audacity's 35% more stable core means less chance of movement and better stability across the biggest spaces.

An AC4 Heavy Domestic wear rating makes Audacity the perfect 'go anywhere' floor and it is recommended for demanding areas such as bathrooms, kitchens and conservatories. With a tough stain and scuff-resistant surface, spills, dirt and accidents can simply be wiped away, leaving your Audacity floor looking as good as new.
