Series Woods Professional 12mm Laminate Flooring White Oak

With white boards reminiscent of sun-bleached driftwood and on-trend grey grain markings, Series Woods Professional 12mm Laminate Flooring White Oak is the epitome of modern coastal style and will bring a cool, laid-back Hamptons vibe to any room in the home.

Made in Europe, this hardwearing quality laminate features an authentic textured surface that closely replicates the elegant grain pattern beneath, while each plank comes with bevelled edges that add definition to give the tell-tale lines of a classic wood floor. Featuring a 5G click-together joint system for fast and easy DIY fitting, the boards are 12mm thick, 188mm wide and 1375mm long – the perfect size for use in small and medium-length rooms, where they will give a classic look while enhancing the feeling of space.

Offering incredible performance as well as great style, Series Woods Professional White Oak is an AC5 Commercial grade floor and comes with a long 30-year warranty. It will keep its gorgeous looks for years to come in the most bustling of family homes; regular vacuuming and damp mopping from time to time is all it takes to keep it looking its best.
