Series Woods Professional 12mm Laminate Flooring Sand Oak

With its sophisticated, hued-out grey tones, Series Woods Professional 12mm Laminate Flooring Sand Oak combines the stunning looks of a contemporary-style wood floor with all the practical advantages of a high-quality, hardwearing laminate.

Series Woods Professional 12mm Laminate Flooring is produced in Europe using the latest technology and features a textured surface and realistic markings such as saw cuts and small knots to replicate the charm – and solid feel – of real wood. Maintenance is simple; just regular vacuuming and mopping with water is all that is required to leave this floor looking its best.

The 193mm-wide boards feature come in a classic length (1380mm) that is ideal for making small and medium-length rooms appear larger, while a 5G click fitting system, with joints on all four sides of each board, makes DIY installation fast and easy. At 12mm thick, this great-value floor comes with an AC5 Commercial Grade rating and an impressive 35-year warranty, and is suitable for all rooms in the home including areas of heavy traffic.
