Series Woods 12mm Laminate Flooring Mist Oak

Series Woods 12mm Laminate Flooring Mist Oak looks and feels just like a real wood floor but is more than a match for the rigours of a busy home. With light grey tones and understated grain markings, Mist Oak Laminate has a cool, modern vibe and would make a beautiful backdrop for a contemporary interior scheme. At 12mm thick, with an AC4 rating, this durable floor is suitable for most rooms, including bedrooms, conservatories and dining rooms.

The wide, classic-length boards are textured for an authentic real wood look and feel and come in a versatile size (192mm x 1285mm) that is particularly well suited to creating a space-enhancing effect in small and medium-length rooms. A click fitting system, with joints on all four sides of each board, makes DIY installation fast and easy.
