Series Woods Professional 12mm Laminate Flooring Dark Lava Oak

With its vintage and characterful looks that are sure to match up with any trend, Series Woods Professional 12mm Laminate Flooring Dark Lava Oak is the perfect bridge to bring contemporary and classic styling together. The swirls and knots that give this floor such a rich grain pattern feel truly premium thanks to the embossed in register texture that sits above. Combined with the four bevelled edges along each plank, the finished floor has depth and definition for days.

Ideal for anyone looking for a DIY floor thanks to its click-together joint system that promises a fast and easy fitting. With boards that are 12mm thick and measuring in at 157mm x 1285mm, this is a perfect all-rounder suited to create classic and space-enhancing looks in medium-length rooms.

If unmatched performance and style were not enough for one floor, Series Woods Professional Dark Lava Oak comes complete with an AC5 Commercial rating and 30-year warranty — giving you not only total peace of mind, but unbeatable durability that means this floor will stay looking its best for longer in even the busiest homes. Vacuuming regularly and damp mopping from time to time is all that's needed to help keep it shining.
