City City 8mm Laminate Tile Steel Grey

With a steely calm perfectly fit to centre a room's energy and style, City 8mm Laminate Tile Steel Grey can not only bring a great lift of light into a room thanks to its bright hue but also all the splendour of a stone effect floor replete with the numerous upsides of laminate. This combination creates an easy route to making an eye-catching and stylish space in your home unhampered by affordability and accessibility.

With accurately sized 605mm x 282mm tiles reminiscent of real stone, the finished floor delivers the aesthetic you want from tiling thanks to the four bevelled edges each tile has that helps accentuate shape and character. Easy to add into your home thanks to click system technology that every DIYer will fall for thanks to the fuss free installation it facilitates.

Thanks to an AC4 Heavy Domestic rating and a 20-year residential warranty, this floor is sturdy and durable enough to take on the busiest homes and is ideally suited to heavy traffic areas such as dining rooms, hallways, and even kitchens.
