City City 8mm Laminate Tile Modular Anthracite

Set the mood of a room with the sombre and playful stone effect of City 8mm Laminate Tile Modular Anthracite. Packing all the great practical benefits afforded by laminate flooring into an innovative build that brings the sense of indulgence intrinsic to stone flooring, this is the perfect first step to enhancing any room

City 8mm Laminate Tile Modular Anthracite is a floor you can rely on with a sturdy AC4 Heavy Domestic rating and extra peace of mind with a 20-year warranty. Whether in your kitchen or your halls, this is dependable flooring for even the busiest homes.

The perfect option for avid DIYers looking to add realistic stone effect flooring into their home thanks to click system technology that takes the fuss out of installation. With each tile measuring in at 605mm x 282mm and featuring four bevelled edges to enhance the appearance of the finished floor, the textured surface is simply the tip of the iceberg on what this floor brings to a room.
