Galleria Professional Solid European Nature Oak Flooring 20mm x 200mm Rich Natural Oiled

With a warming natural tone and a graceful oak grain, Galleria Professional Solid European Nature Oak Flooring 20mm x 200mm Rich Natural Oiled, is a fabulous way to celebrate the elegance and majesty of the very best solid wood floors. A traditional style that sets a timeless look in almost any setting.

Crafted from a single-piece of quality European Oak, this Galleria Professional floor is sanded smooth for a smart look and comes in an oil finish that brings the natural beauty of wood and which develops character over time. In a nature grade, the grain of Galleria Professional Solid European Nature Oak Flooring 20mm x 200mm Rich Natural Oiled is well-balanced for an elegant wood look. A wide 200mm plank proves perfect for large rooms, while the long random lengths (between 500-2000mm) welcome a more relaxed feel.

At 20mm thick, this is a solid wood floor of exceptional quality, suited for homes demanding the very best and in a specification that promises decades of use. With a traditional tongue and groove joint, this floor can be installed directly onto joists and can be stuck-down or laid floating. For that reason, installation of Galleria Professional Solid European Nature Oak Flooring 20mm x 200mm Rich Natural Oiled is best left to professionals.

Product Details

Code:	SOL-GA-20-208
Brand:	Galleria Professional
