Spectra Sandhill Oak Plank Luxury Click Vinyl Flooring

A laid-back twist on contemporary flooring, Spectra Sandhill Oak Plank Luxury Click Vinyl Flooring has a beautifully authentic-looking grain and warm grey tones that will complement a wide range of colour schemes.

This striking floor has a textured surface that follows the grain patterns beneath for an authentic wood look and feel, and is warm underfoot and fully waterproof – making it an ideal choice for bathrooms.

The wide, classic-length planks (187mm x 1251mm) will look fantastic in a wide range of spaces but are particularly well suited to creating a space enhancing effect in small and medium rooms. A simple click-together joint system means they're fast and easy to install on top of underlay, even for DIYers.

Tough as well as stylish, Spectra Sandhill Oak is 4.2mm thick and has an AC3 Domestic rating, making it suitable for any room in the home. With a 12-year warranty, it's also blissfully easy to care for; regular vacuuming and occasional damp-mopping are all that's required to ensure it stays looking fabulous.
